INTERNSHIP EXPERIENCE LETTER

This is to certify that **Mr. Vishnu Vardhan Macharla Poshetty** from "**Vidya Jyothi Institute of Technology**" has successfully completed a Winter Industrial Training and Internship Program on Machine Learning using Python conducted from 25th November 2019 to 10th December 2019.

The student has gained introductory experience on following technologies:

- Basics of Python Programming
- Advanced Python programming concepts
- Data Analysis with Pandas Dataframe
- Data Visualization Techniques using Python
- Machine Learning techniques with Python Scikit-learn package
- IBM Watson and Machine Learning deployment on IBM Cloud

During his internship with Eduvance he has handled his responsibilities ably and his performance has been found to be **excellent**.

We wish him success for all his future endeavors.

Mr. Dilip Balasubramanian,
Senior Training Manager, Eduvance
